15 Defendant.

Case No. 18-145-RAJ

**ORDER DENYING MOTION FOR  
TEMPORARY RELEASE**

16 Defendant moves the Court for an order of temporary release so he can visit his newborn  
17 daughter at the hospital. Dkt. 25. The Court understands defendant's desire to see his newborn  
18 daughter. However, the record indicates defendant has a length criminal history going back to  
19 2003. He has convictions for assault, unlawful possession of a firearm, robbery in the first  
20 degree, and drug offenses. He has a history of failing to appear for court appearances and  
21 noncompliance while on supervision. It also appears he has both mental health and substance  
22 abuse issues. For these reasons, the Court DENIES defendant's motion for temporary release.
